

REMARKS

By this amendment, Claim 2 and dependent claims 3-4 and 7 have been amended to address the Examiner's concern regarding the preamble and whether it serves as a limitation. In the amended claims, the requirement for promotion of whole body health is in the body of the claim.

It is believed this amendment does not involve any introduction of new matter and importantly presents the claims in better form for appeal. Applicants respectfully request that the foregoing amendment and remarks be made of record in the instant application.

Respectfully submitted,
Matthew Joseph Doyle, et al.
